

OUR WEBSITE OFFERS HUNDREDS OF RESOURCES

**[www.safetycenter.navy.mil](http://www.safetycenter.navy.mil)**

The Naval Safety Center Web site contains over 8,000 pages of useful safety information. Our goal is to provide you with the tools you need to help prevent mishaps. You just might be overwhelmed by the abundance of information on your first visit, so here are a few suggestions on where to start your tour.

---

**Photo of the Week** - Our most popular item is the photo of the week. Just when you think you've seen it all, someone digs up a new photo that defies the laws of safety. Printable versions are popular for hanging on bulletin boards and in the stalls of bathrooms.

**[www.safetycenter.navy.mil/photo/](http://www.safetycenter.navy.mil/photo/)**

---

**SafeTips** - You'll find simple safety tips for all types of things from A to Z. You can print and post 'em on bulletin boards or hand out at meetings.

**[www.safetycenter.navy.mil/safetips/](http://www.safetycenter.navy.mil/safetips/)**

---

**Summary of Mishaps (a.k.a. Friday Funnies)** - The legendary summary of mishaps is back from hiatus and is available on our military site. This sometimes-controversial narrative has proven extremely effective in preventing mishaps and keeping our Sailors and Marines from getting into strange pickles.

**<https://138.139.49.5/messages/alsafe/fridayfunnies.htm> (for .mil customers only)**

---

**Safety Posters** - Safety posters on a wide variety of subjects that you can download or order by mail. Simple and effective reminders to your co-workers that safety is important.

**[www.safetycenter.navy.mil/media/posters/](http://www.safetycenter.navy.mil/media/posters/)**

---

**Magazines** - Our Media department has more information than you can possibly see in one sitting. Five award-winning safety magazines: Approach, Ashore, Fathom, Ground Warrior, and Mech. Plus three newsletters, unpublished stories, photo galleries, and more!

**[www.safetycenter.navy.mil/media/](http://www.safetycenter.navy.mil/media/)**

---

**Operational Risk Management** - ORM is a simple, 5-step process for identifying and controlling hazards. Its purpose is to minimize risks to an acceptable level. Learn what ORM can do for you!

**[www.safetycenter.navy.mil/orm/](http://www.safetycenter.navy.mil/orm/)**

---

**Statistics** - Find out current statistics like the mishap rates, predictions, summaries and more. Updated several times a week, you'll find the most up-to-date information on mishap statistics on the web.
